

Public Kick-off Meeting for the Arroyo Seco Watershed Feasibility Study

The County of Los Angeles Department of Public Works
and the Los Angeles District, U.S. Army Corps of Engineers
invite you to attend a public meeting to learn more about this study.

When: Wednesday, October 26, 2005 - 7:00 to 8:30 pm

Where: La Casita del Arroyo, 177 South Arroyo Blvd., Pasadena, CA

The purpose for the kick-off meeting is to provide an opportunity for community members to learn about the Arroyo Seco Watershed Management Feasibility Study process. The public, agencies, and organizations are encouraged to attend the meeting and submit data and information pertaining to the study. Useful information includes past and present activities within the watershed, environmental conditions, potential issues, and project alternatives that can be addressed in the Feasibility Study.

About the Study

The Arroyo Seco Watershed Feasibility Study is a partnership between the County of Los Angeles Department of Public Works and the U.S. Army Corps of Engineers with the assistance of governmental agencies and environmental organizations within the watershed. The study will investigate solutions for water resource and environmental restoration issues within the Arroyo Seco Watershed.
