Conference Room D – Headquarters Building  
900 South Fremont Avenue  
Alhambra, CA 91803**

**SUMMARY**

- I. Introductions – see attached sign-in sheet (Attachment A)**
- II. Oak Grove Area Improvements Project (City of Pasadena) – postponed**
- III. Vector Control – Greater Los Angeles County Vector Control District**
  - Vector Control gave a presentation on Mosquito Control & Disease Prevention in LA County (Attachment B)
- IV. Native Fish in the Arroyo Seco – Arroyo Seco Foundation**
  - Arroyo Seco Foundation gave a presentation on Rainbow Trout Restoration Program Update (Attachment C)
  - Final Report of Native Fish of the Los Angeles River will be complete in September 2018
- V. Arroyo Seco Ecosystem Restoration Feasibility Study – update**
  - No updates. Pending Corps' action.
- VI. Stakeholders open forum**
  - Public Works provided an update to the Devil's Gate Dam Sediment Removal Project. Vegetation clearance and construction of access road is expected to begin November 2018.
  - Mr. Tom Seifert provided updates on the Arroyo Advisory Group's activities. It was announced that a feasibility study to raise money for projects will be represented to Council on August 20, 2018.
  - Mr. Tim Brick announced that the bike path around South Pasadena freeway crossing and York Boulevard will open soon.

- Mr. Tim Brick voiced his concern over the overlap of functions in planning efforts for the LA River and tributaries, especially the Arroyo Seco.

**Next Meeting:** Thursday, October 25, 2018  
Conference Room D
